## Ministry Continues Even During the Coronavirus Pandemic

On March 20, 2020, due to a government mandated directive, our two schools in Zambia closed as a precautionary measure against the spread of the Coronavirus. During this time, BCA has continued to pay our faculty and staff as well as minister to the BCA children.

During the first part of April, our faithful leadership and staff have worked to deliver dry foods (including Zambian staple foods of corn meal and dried fish) to our students, working in conjunction with the government's directives related to safely distributing the food.

We are grateful that even though our schools are not allowed to be open during this time, that the Lord has provided ways for our staff to continue ministering to the children and communities.

### **Pleas pray...**

1. That God would protect the country of Zambia from an extensive outbreak of the Coronavirus and that the schools could safely reopen soon. At this time, the known cases are low.
2. That God would protect our children and their families during the school closures.
3. For healthiness and strength for our leadership and staff in Zambia who are working to minister in every way possible.
4. For the hope of the Gospel to continue to go forth during this pandemic.

### **Thanks for Your Support!**

During the difficulty and uncertainty of the Coronavirus pandemic, we know that many of you are facing difficulties and trials. *We pray for God's provision and peace in your lives, and we thank you for your faithful support of BCA.*

### **New BCA Zambia T-Shirt Available for Purchase**

Even though our annual Eat to Feed had to be canceled due to the Coronavirus pandemic and the need for social distancing, we are still offering the t-shirt originally designed for the event. *The shirt is available for purchase online until April 24:* **[bcaministries.com/store](https://bcaministries.com/store)**
