▲ BCA students received hygiene packs that include soap, hand sanitizer, and washable masks.

Hygiene Packs, Food, and School Work Delivered to BCA Students

In light of the continued impact of the Coronavirus on the nation of Zambia as well as our schools, our team in Zambia is working hard to minister to our BCA students.

In May, our schools have remained closed in compliance with the government's mandate to protect against the spread of the Coronavirus. Even though the students are unable to attend school, more dry foods were delivered to the BCA students, in addition to school work to be done at home.

Our team in Zambia was also able to deliver hygiene packs that included soap, hand sanitizer, as well as washable masks. *We thank each of you that gave to our COVID-19 Response Fund that enabled the delivery of these hygiene items.*

Visit the New BCA Blog:
blog.bcaministries.com

Our new blog will be a central place for all communication about BCA such as our monthly newsletter, social media accounts, as well as various news and updates. Over time, we also hope this blog will increasingly be a space to communicate with you about our mission of sharing the hope of Jesus Christ with orphans and impoverished children through gospel-centered Christian education. **Visit: blog.bcaministries.com**

As a BCA sponsor, you can help a child receive Christian education, nutritious meals, and the hope of the Gospel.

Pleas continue to pray...

1. That God would protect the country of Zambia from an extensive outbreak of the Coronavirus.
2. For wisdom for the nation's leadership as they consider allowing schools to reopen.
3. That God would protect our children and their families during the school closures.
4. For healthiness and strength for our leadership and staff in Zambia who are working to minister in every way possible.
5. For the hope of the Gospel to continue to go forth.

Sharing the hope of Jesus with orphans and impoverished children through Gospel-centered Christian education.
