New Kindergarten Classes Added to BCA Zambia in January

It has always been our goal to add a new kindergarten class to each of our schools every year in order to help as many children as we can. However, during the course of 2019, as we updated our sponsorship records, we found a significant amount of dropped sponsorships which caused a shortage in funds. Due to this shortage, the BCA leadership considered not adding any new students in 2020 in order to get caught up with the sponsorships' shortfall. *After prayer, and because of God's faithfulness to provide for this shortfall in 2019, we are glad to report that a new class of kindergarteners were added in January at each one of our campuses in Zambia.* Praise God for His faithfulness! Please pray for these new kindergarteners and all of the BCA Zambia students who began a new school year in January.

Meet Some of Our New Kindergarten Students:

Idah Musonda (BCA Zambia North)

Idah has a twin sister named Annie, and they live with their mother, who is a small scale farmer. The father left when the children were one year old, and he does not support the children. They have four older siblings, two brothers and two sisters. Their home has three rooms, and they typically have two meals in a day.

James Chileshe (BCA Zambia North)

James lives with both parents in a nearby village. Both his father and mother are small scale farmers. James lives in a two bedroom house with no concrete floor. His family typically has two meals in a day.

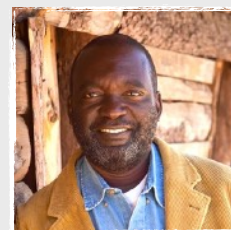

Alice Mofya (BCA Zambia South)

Alice lives with her grandmother and grandfather. Her parents live in a separate city. Her grandmother is a small scale farmer from which she finds food to eat.

BCA Zambia Partner, Victor Chibangula, Coming to the U.S.

Pastor Victor Chibangula from Zambia will be visiting the States in late February and early March. While here, Victor will be sharing at several churches in order to thank our partners and give updates.

Save the Date! Eat to Feed on April 26, 2020

Our annual Eat to Feed event in the Mineral Area of Missouri will be held on April 26, 2020 from 1:00-3:00 pm. This event is always a fantastic time of food, fellowship, and raising support for our annual mission trip projects. This year, we are hoping to raise enough support for a community-wide feast/ outreach in a nearby village of Zambia, our annual pastors' conference, as well as paint supplies for our school buildings in Zambia. Stay tuned for more details!
