7th & 9th Grades Return to School

On June 1, the 7th and 9th grade students at our BCA Zambia South location were able to return to school. In Zambia, these grades are *examination grades*, so a special allowance was given for them to return to class in order to avoid missing too much educational work in preparation for these exams.

In compliance with the government's directives, our classrooms are cleaned regularly and hand sanitizing stations have been set up. Additionally, the children are socially distanced in the classrooms and are wearing masks. These children have also been given meals each day at school. *There is no word yet on when the other grades will be allowed to return to class.*

Pleas continue to pray...

1. For wisdom for Zambia's Ministry of Education as well as our BCA staff as decisions are made about further reopening schools.
2. That God would protect our BCA staff, children, and their families.
3. For the hope of the Gospel to continue to go forth.

Thank you for your continued support and prayers!

As a BCA sponsor, you can help a child receive Christian education, nutritious meals, and the hope of the Gospel.
