Ministry Continues as the COVID-19 Pandemic Affects Zambia

During August, the examination grades (7th and 9th grades for BCA) continue to attend class with the stipulated health guidelines from the Zambian Ministry of Education with supervision from the Ministry of Health. In Zambia, Covid-19 cases are continuing to rise and affect every region.

*As a ministry, we are so grateful for your continued support in prayer. Here are a number of ways you can continue to **pray for the ministries of BCA**:*

- As of August, Zambian schools remain closed due to the Coronavirus pandemic. Please pray for **wisdom** for Zambia's Ministry of Education as well as our BCA staff as decisions are made about reopening schools.
- Pray for the 7th and 9th grade BCA students, who were allowed to return to class due to their examinations. Pray that they **learn** well in school.
- As the Coronavirus continues to impact the country of Zambia, pray that God would **protect** our BCA staff, children, and their families.
- Pray for Victor and Grace Chibangula (our partners in Zambia), that God would give them **strength** and wisdom as they lead our two schools in Zambia.
- Pray for the hope of the Gospel to continue to go forth and for the **salvation** of BCA students and their families.
- Pray for George Baptist Church and Lubuto Baptist Church in Zambia, and our other **church** planting partners in Zambia, as they seek to spread the Gospel in their communities.

More dry foods and school work were delivered in August to BCA students in their villages as schools remain closed due to Covid-19. The students are encouraged to turn in their completed work on a weekly basis.
