Newsletter

▲ This month, the BCA students enjoyed having Christmas parties.

*Merry  
Christmas*

*From all of us at Bethlehem Christian Academy,  
we wish you a very Merry Christmas!*

## Christmas Parties

During the month of December, our schools in Zambia celebrated the birth of Jesus with school parties and gifts. Because of your support in giving to our Christmas gifts fund, each child received a new pair of shoes for Christmas. Who doesn't like a new pair of shoes?

## Celebrating 10 Years

As we come to the close of 2020, BCA is celebrating ten years of sharing the hope of Jesus with orphans and impoverished children. We are praising God for his grace and provision to BCA!

**Watch BCA co-founder, Martin Winslow, share about these ten years at [bcaministries.com/building](https://bcaministries.com/building).**

## Construction Begins on a New Science Lab Building

Construction has begun on the new science laboratory building for our secondary school in Zambia! The BCA secondary school students will be learning about biology, chemistry, agriculture, and physics in this building when complete. Thank you to everyone who has given to this project.

## Thank You for Your Faithful Support in 2020!

We know that for many of you, 2020 has been a difficult year that has brought many trials. As we finish out the year, our prayer for you is that you would find continued hope and strength in the knowledge of our Lord and Savior Jesus Christ.

**We cannot thank you enough for your continued and faithful support of BCA!**

*Sharing the hope of Jesus* with orphans and impoverished children through Gospel-centered Christian education.
