## School & Ministry Updates

We are so grateful for your continued support of the ministries of Bethlehem Christian Academy! Please keep the following updates in mind as you pray for our ministry:

### Sponsor a New Kindergartner!

New kindergartners started at our south campus in Zambia earlier this year, and many of them are still in need of a sponsor. Please pray for God to raise up sponsors for these children!

Visit [bcaministries.com/sponsor](https://bcaministries.com/sponsor)

### No Summer Mission Trips

Due to the continued impact of Covid-19 on international travel and the need to place the health of our staff and students as a priority, we will not be taking mission trips to Zambia this summer. However, a small team of BCA leadership will be traveling to Zambia in July to carry out various objectives. Please pray for the safety and health of this team.

### 2021 Building Projects Continue

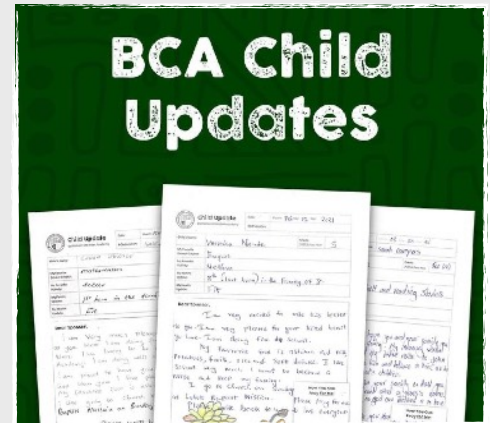

Construction continues on the new science lab building at our secondary school campus, and we will need to begin construction on a new academic building for our campus in northern Zambia soon. Please pray for the roughly \$20,000 still needed to construct these buildings! For more information, visit: <https://bcaministries.com/building>

### Ways to Pray for the Child You Sponsor

- Many students will suffer with various sickness and other common diseases in Africa like Malaria and Tuberculosis. Covid-19 is also still a factor in Zambia. Pray for God's protection over the child's health.
- Pray for growth in understanding and applying God's Word.
- Pray for an attentiveness in class and eagerness to learn.

For more ways to pray, visit: <https://bcaministries.com/ways-to-pray>

**Sponsors:** Student updates on the child(ren) you sponsor are in the mail. If you don't receive an update, please let us know so we can verify your mailing address. Thank you for your support!

### BCA Zambia Summer Sun T-Shirt (Pre-Order)

New t-shirts are available for pre-order until April 30! All revenue will go to support our Building for the Future campaign, helping us to construct a new science lab building and academic building for our schools in Zambia. Visit: [bcaministries.com/store](https://bcaministries.com/store)

*Sharing the hope of Jesus* with orphans and impoverished children through Gospel-centered Christian education.
